White Oak

Character

A premier hardwood, both in the U.S. and abroad. Widely used in architectural woodworking and furniture manufacture. Highly figured, even more textured than Red Oak and somewhat easier to work. Often, rift-sawn for a straight or "comb" grain effect, or quarter-sawn for a straight grain with highly prominent "flake."

Color

Heartwood varies from a light tan to a darker, yellowish-brown while the less prevalent sapwood is much lighter.

We offer White Oak in the following sizes:

Size 4/4 | Size 5/4 | Size 6/4 | Size 7/4 | | Size 8/4 | Size 10/4 | Size 12/4

Hard Maple

Character

A hard, dense wood with a fine grain, attractive luster, and excellent strength and working qualities. Used in the manufacturing of furniture, flooring, and cutting boards.

Color

White with reddish hue. Occasionally, the heartwood will have dark brown color.

We offer Hard Maple in the following sizes:

Size 4/4 | Size 5/4 | Size 6/4 | Size 7/4 | | Size 8/4 | Size 10/4 | Size 12/4

Hickory

Character

A very dense wood, known for its high toughness. Hickory also has high bending strength, great stiffness, and exceptional resistance to shock. Usually straight-grained, Hickory is often used for handles in striking tools such as hammers and axes.

Color

Heartwood tends to be light to medium brown, with a reddish hue; sapwood is a paler yellowish brown.

We offer Hickory in the following sizes:

Size 4/4 | Size 5/4 | Size 6/4 | Size 8/4 | Size 10/4

Walnut

Character

Heavy, hard, strong

brown

We offer Walnut in the following sizes:

Size 4/4 | Size 5/4 | Size 6/4 | Size 8/4 | Size 10/4 | Size 12/4

Cypress

Character

Very distinct grain, and considered one of the more beautiful species of wood available. Cypress is highly durable and resistant to rot while being easy to work with and to finish.

Color

Usually a light, yellowish brown. Sapwood is practically white.

We offer Cypress in the following sizes:

Size 4/4 | Size 5/4 | Size 6/4 | Size 7/4 | Size 8/4

Zebrawood

Character

Sometimes called Zebrano, the wood is strong and stiff, with a fairly high density. However, the wood is much more frequently used for its bold and unique striping.

Color

Heartwood is a light brown or cream color with dark blackish brown streaks vaguely resembling a zebra's stripes.

We offer Zebrawood in the following sizes:

Size 4/4 | Size 8/4

Purpleheart

Character

Also known as Amaranth, this import wood is popular for furniture and anywhere you'd like to add a splash of unique color.

Color

Purpleheart starts off as a dull gray, purplish brown then through exposure gains the deep purple hue its known for

We offer Purpleheart in the following sizes:

Size 4/4 | Size 5/4 | Size 6/4

Tigerwood

Character

Also known as Goncalo Alves

Color

Heartwood is typically a medium reddish brown with irregularly spaced streaks of dark brown to black. Color tends to darken with age.

We offer Tigerwood in the following sizes:

Size 8/4

Wenge

Character

Pronounced WHEN-gay, the wood has excellent strength and hardness properties, and is also dark enough to be used as a substitutes for ebony.

Color

Heartwood is a very dark brown with black streaks. Upon application of a wood finish (particularly an oil-finish) the wood can become nearly black.

We offer Wenge in the following sizes:

Size 4/4 | Size 8/4

Cumaru

Character

Cumaru has excellent durability and weathering properties. The wood is rated as very durable regarding decay resistance, with good resistance to termites and other dry-wood borers. Grain is interlocked, with a medium texture and a waxy feel.
