ESSENTIAL CASEMENT WINDOW

Why You'll Love It

Strongest Window Material

- Exterior made with Ultrex fiberglass — 8x stronger than vinyl

Virtually Maintenance Free

- Resists fading, warping, dents, and cracks

Energy Efficient

- Casement design seals tightly on all four sides to minimize air leaks

Sleek, Modern Look

- Low-profile frame with contemporary styling

Additional Features

- Multi-point sequential locking system delivers superior performance with single-lever operation
- Folding handle allows easy crank-out and tucks neatly behind blinds or treatments
- Insert replacement option fits existing window openings
- Available in stationary, operating, transom, and picture units
- Coordinating picture and transom windows available up to 6' x 6'
- Easy-to-remove screen with concealed fasteners

Essential Awning Window

6 Exterior Color Options | 4 Interior Color Options

The Essential Awning window, made of Ultrex fiberglass, is the perfect low-maintenance solution for increasing your home's ventilation. Streamlined features and design options can be tailored to reflect home architecture and character. Fits Openings up to 5' Wide by 4' High.
