# Ultimate Double Hung G2 Window

19 Exterior Finish Options | 14 Interior Finish Options

The Ultimate Double Hung G2 window blends traditional beauty with state-of-the-art window performance. Customize your design with round top styles or single hung operation with optional bottom rail locking mechanism for easy operation.

## BEAUTIFUL DESIGN WITH EXCEPTIONAL CRAFTSMANSHIP

**Interior**

**Exterior**

**Unique Wash Mode Allows Cleaning of Both Sides of Glass From Indoors**

### Ultimate Double Hung G2

- **RICH WOOD INTERIOR** Offers beauty and warmth with six wood species and ten interior finish options.
- **NARROW CHECKRAIL** Provides a sleek aesthetic at 1 15/16 inches to maximize daylight opening while maintaining historical accuracy
- **TILT WASH MODE** Allows easy access to exterior glass for cleaning and maintenance.
- **EXCLUSIVE AUTOLOCK** Activates when the sashes are closed, locking the window.
- **DURABLE CLADDING** Extruded aluminum exterior cladding with an AAMA verified 2605 finish and backed by a 20-year warranty against chalking and fading.
- **EXPANSIVE SIZES** Larger than 5 feet wide by 10 feet high.
- **ALUMINUM INTER-LOCK** Eliminates drafts and improves the window's overall structural integrity.
- **TRADITIONAL SILL BEVEL** The 14-degree bevel provides optimal water management.

# Ultimate Double Hung Insert G2 Window

19 Exterior Finish Options | 14 Interior Finish Options

The Ultimate Double Hung Insert G2 window fits into your existing window opening without disrupting interior and exterior trim. Customize your design with single hung operation with optional bottom rail locking mechanism for easy operation.

## BEAUTIFUL DESIGN WITH EXCEPTIONAL CRAFTSMANSHIP

**Interior**

**Exterior**

**Sash Lock in Satin Nickel**

### Ultimate Double Hung Insert G2

- Pushes the limits of what windows and doors can do
- Standard finish on extruded aluminum is commercial-grade and warranted for 20 years, ensuring a smooth, beautiful finish that lasts
- Exclusive auto-lock activates when sashes are closed for convenient security
- Unique wash mode allows cleaning of both sides of glass from indoors
- Narrow checkrail maximizes view while maintaining historical accuracy
- Available with the same features in a single hung style, with optional Lift Lock
- Additional configurations include round top, stationary transom or picture window
- Hidden Lock Status Sensor option connects with your smart home to indicate when windows are closed and locked

# Ultimate Single Hung G2 Window

19 Exterior Finish Options | 14 Interior Finish Options

---

The Ultimate Single Hung G2 window features a stationary top sash and an operable bottom sash. This single hung style is often preferred in a cottage-style window with a small top sash that doesn't need to open.

## BEAUTIFUL DESIGN WITH EXCEPTIONAL CRAFTSMANSHIP

**Interior with  
Contemporary Lift  
Lock**

**Interior with  
Traditional Lift  
Lock**

**Contemporary & Traditional Lift Locks in Satin  
Nickel**

### Ultimate Single Hung G2

- Standard finish on extruded aluminum is commercial-grade and warranted for 20 years, ensuring a smooth, beautiful finish that lasts
- Choose from a selection of high-quality interior standard wood options, including Pine, Cherry, Douglas Fir, Mahogany, White Oak, Vertical Grain Douglas Fir, and Black Walnut
- Also available with both sashes stationary, to replicate historic aesthetics in commercial projects
- Narrow checkrail maximizes view, while maintaining historical accuracy
- Unique wash mode allows cleaning of both sides of glass from indoors
- Marvin's exclusive auto-lock activates when sashes are closed for convenient security
- Additional configurations include round top, stationary transom, or picture window
- Unique wash mode allows cleaning of both sides of glass from indoors on bottom sash

# Ultimate Wood Double + Single Hung Windows

19 Exterior Finish Options | 14 Interior Finish Options

The Wood Double Hung window is ideal for historic projects where a wood exterior is needed to match original details. Offers flexible design options like single hung or stationary sash configurations. The Wood Single Hung window is a classic style with an operating bottom sash and stationary top sash.

## BEAUTIFUL DESIGN WITH EXCEPTIONAL CRAFTSMANSHIP

**Wood  
Double/Single  
Hung Exterior**

**Wood Double  
Hung Magnum  
Exterior**

### Ultimate Wood Double + Single Hung

- All-Wood Interior and Exterior
- Also available as a round top, single hung, stationary transom, or picture window
- Ideal for renovation projects where a wood exterior is needed to match original architectural details
- Unique wash mode allows cleaning of both sides of glass from indoors
- Available with IZ3 coastal/hurricane certification
- Choose from a selection of high-quality exterior standard wood options, including Pine, Vertical Grain Douglas Fir, Mahogany, and Primed Pine
- Choose from a selection of high-quality interior standard wood options, including Pine, Mahogany, and Vertical Grain Douglas Fir
- Meet your design vision with natural, stained, or painted wood

# Ultimate Casement Window

19 Exterior Finish Options | 14 Interior Finish Options

The Ultimate Casement window is offered in some of the largest sizes in the industry, with a secure multi-point lock, durable hardware that ensures smooth operation, and Marvin's exclusive wash mode for easy cleaning even on upper floors.

## BEAUTIFUL DESIGN WITH EXCEPTIONAL CRAFTSMANSHIP

**Casement Interior with  
Folding Handle in Satin  
Nickel**

**Casement Push Out  
Interior with Handle in  
Matte Black**

### Ultimate Casement

- Industry-leading range of size options
- Standard finish on extruded aluminum is commercial-grade and warrantied for 20 years, ensuring a smooth, beautiful finish that lasts
- Hidden Lock Status Sensor option connects with your smart home to indicate when windows are closed and locked
- Available with IZ3 and IZ4 coastal/hurricane certification
- Durable hardware for easy operation even at large sizes
- Unique wash mode allows access to both sides of glass from indoors
- Multi-point locking system ensures a tight seal and security from top to bottom
- Optional round-top customization

# Ultimate Casement Narrow Frame Window

19 Exterior Finish Options | 14 Interior Finish Options

The Ultimate Casement window is offered in some of the largest sizes in the industry, with a secure multi-point lock, durable hardware that ensures smooth operation, and Marvin's exclusive wash mode for easy cleaning even on upper floors.

## BEAUTIFUL DESIGN WITH EXCEPTIONAL CRAFTSMANSHIP

**Casement Narrow  
Frame Interior with  
Folding Handle in Satin  
Nickel**

**Casement Push Out  
Narrow Frame Interior  
with Handle in Oil  
Rubbed Bronze**

### Ultimate Casement Narrow Frame

- Pushes the limits of what windows and doors can do
- Narrow jamb for replacement applications that minimizes tear-down of existing frame and walls
- Has many design options, including round-top shapes
- Casement windows create a tight seal on all four sides, reducing air leaks
- Standard finish on extruded aluminum is commercial-grade and warrantied for 20 years, ensuring a smooth, beautiful finish that lasts
- Contemporary-style window with sleek design and square profiles
- Unique wash mode allows access to both sides of glass from indoors
- Exterior is made with extruded aluminum for proven strength and versatility

# Ultimate French Casement Window

19 Exterior Finish Options | 14 Interior Finish Options

The Ultimate French Casement window cranks open from the center like a French door, with no center vertical post to block the scenery, and an outswing motion that helps save space indoors.

## BEAUTIFUL DESIGN WITH EXCEPTIONAL CRAFTSMANSHIP

**French Casement  
Interior with Folding  
Handles**

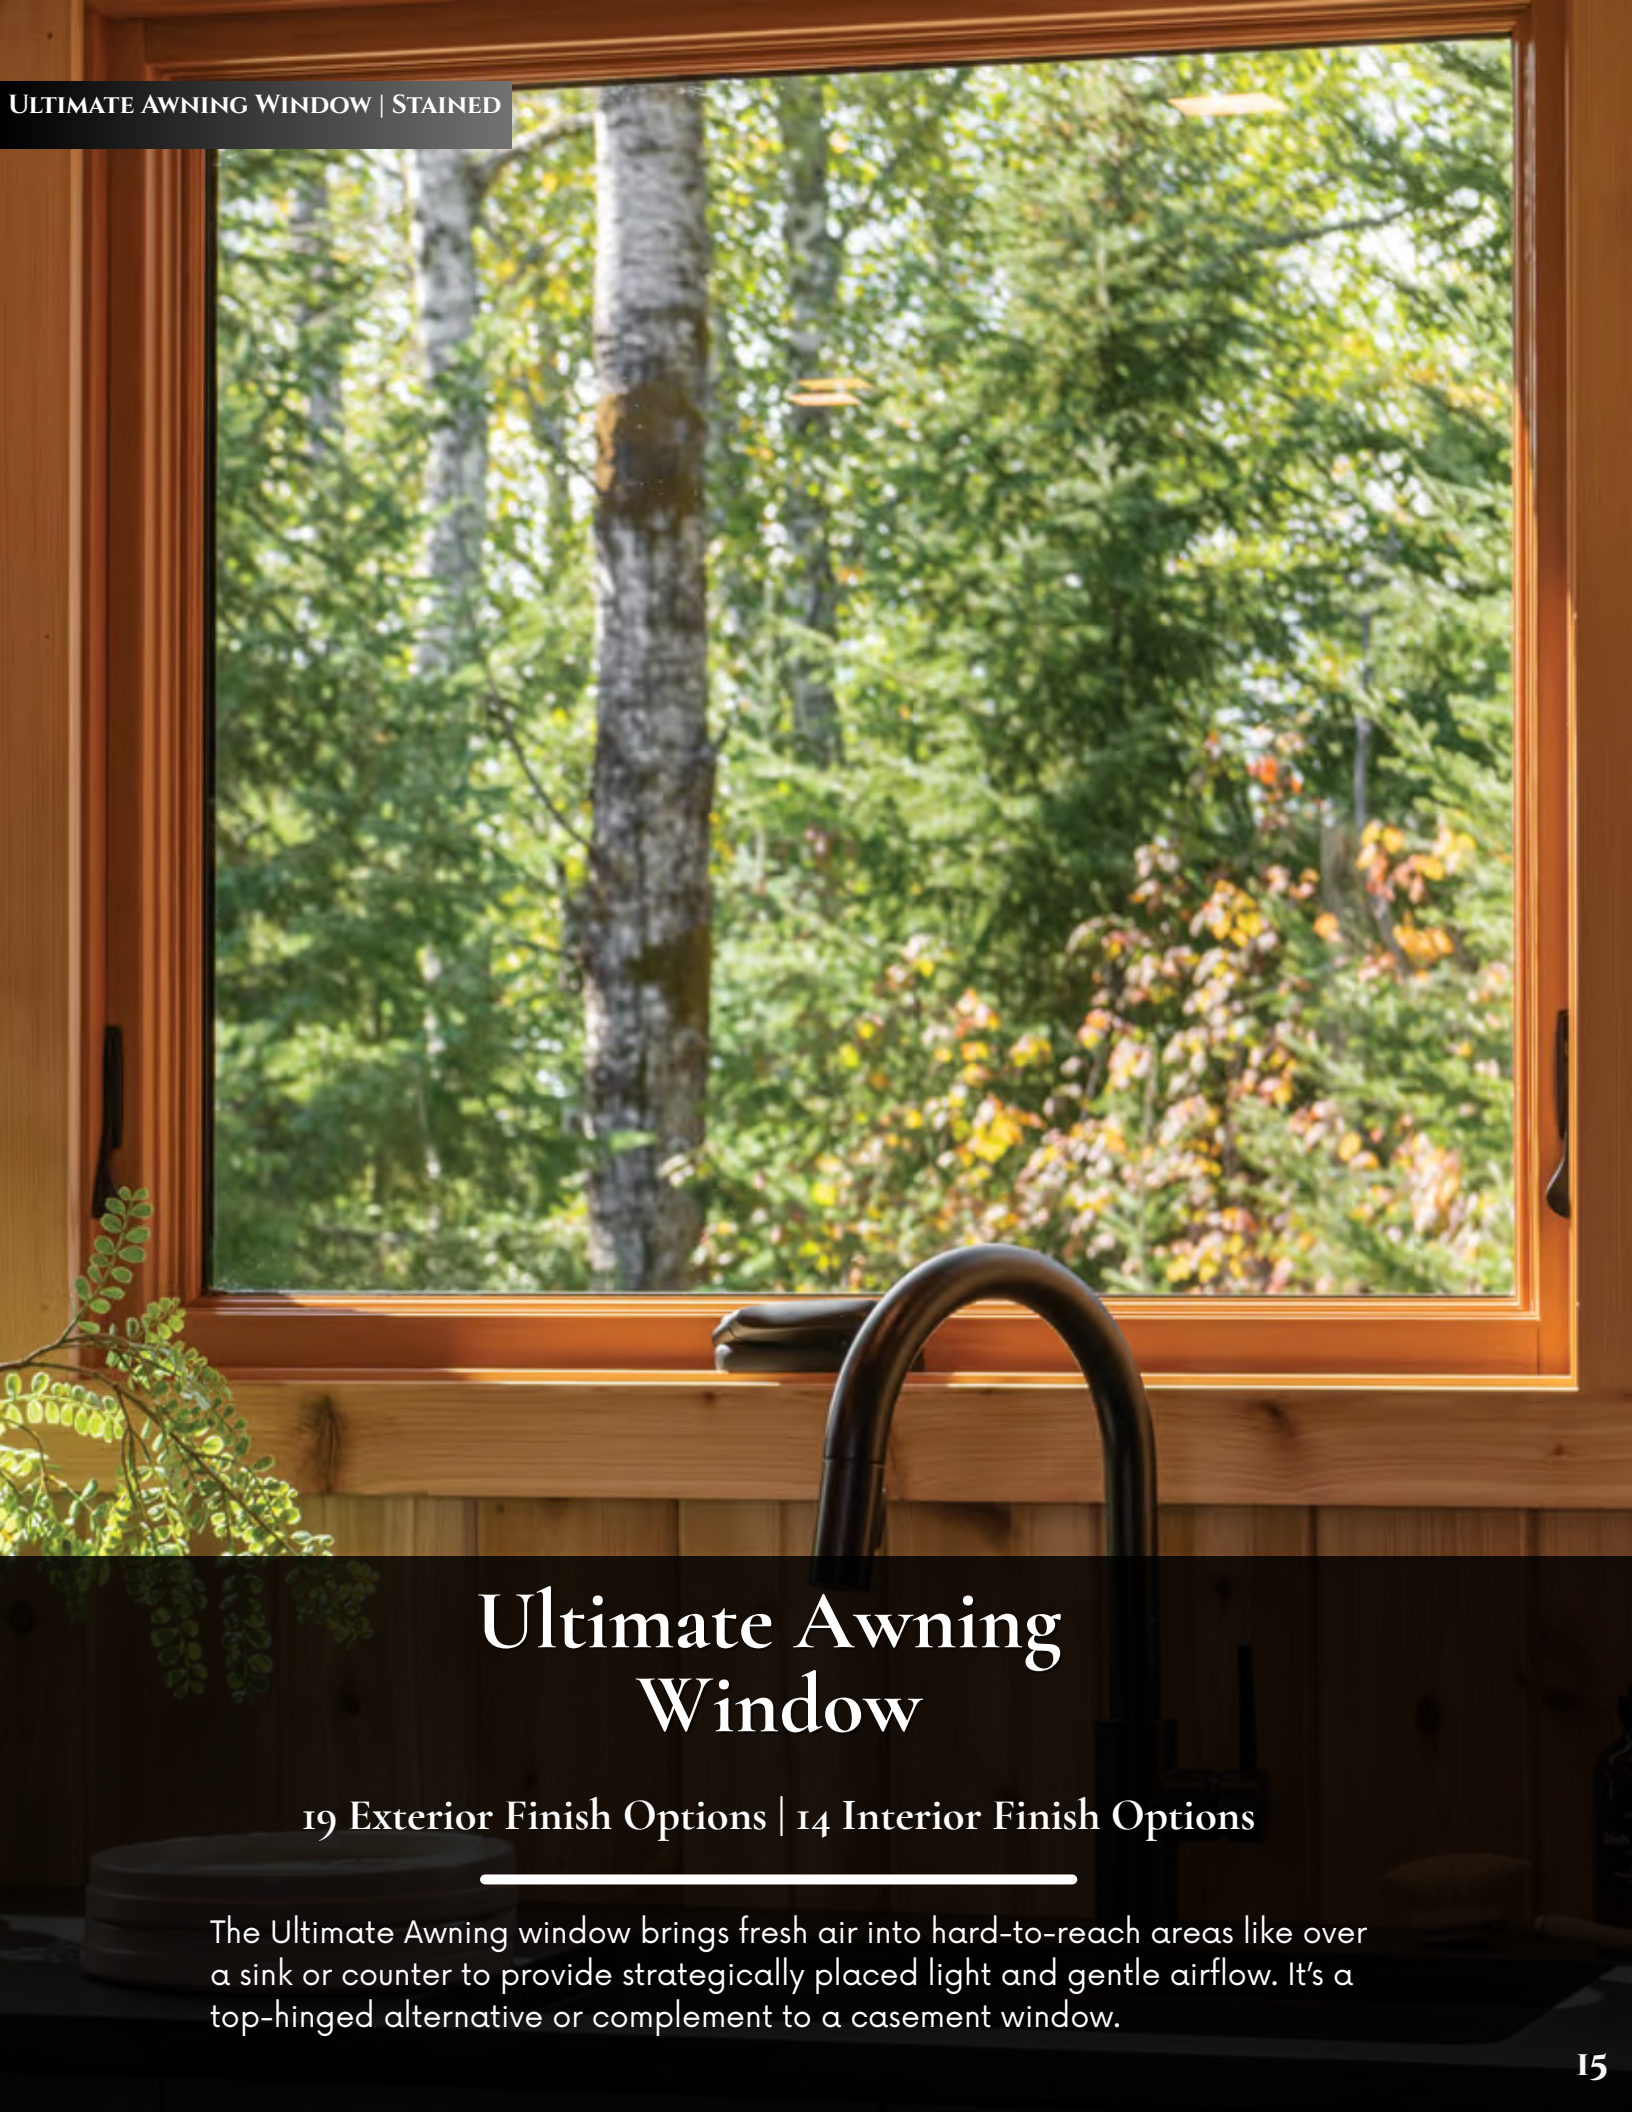

**French Casement Push  
Out Interior**

**French Casement Push  
Out Exterior**

## Ultimate French Casement

- Pushes the limits of what windows and doors can do
- Standard finish on extruded aluminum is commercial-grade and warranted for 20 years, ensuring a smooth, beautiful finish that lasts
- Crank-out operation offers control over the angle of the open window
- Pairs classic architectural beauty with today's performance and energy efficiency
- Durable hardware for easy operation even at large sizes
- Durable hardware allows individual sashes to open easily
- Multi-point locking system ensures a tight seal and security from top to bottom
- Also available in round top shapes as a custom order

## Ultimate Awning Window

19 Exterior Finish Options | 14 Interior Finish Options

---

The Ultimate Awning window brings fresh air into hard-to-reach areas like over a sink or counter to provide strategically placed light and gentle airflow. It's a top-hinged alternative or complement to a casement window.

## BEAUTIFUL DESIGN WITH EXCEPTIONAL CRAFTSMANSHIP

**Awning with Folding  
Handle in Satin Nickel**

**Awning Push Out  
Handle in Oil Rubbed  
Bronze**

### Ultimate Awning

- Pushes the limits of what windows and doors can do
- Standard finish on extruded aluminum is commercial-grade and warranted for 20 years, ensuring a smooth, beautiful finish that lasts
- Narrow frame replacement option available to fit seamlessly into existing window openings
- Hidden Lock Status Sensor option connects with your smart home to indicate when windows are closed and locked
- Multi-point locking system ensures a tight seal and security from top to bottom
- Available with IZ3 coastal/hurricane certification
- Optional motor-drive system can be used to operate the unit from a remote wall switch
- Available in widths up to 8 feet and heights up to 8 feet

# Ultimate Awning Narrow Frame Window

19 Exterior Finish Options | 14 Interior Finish Options

The Signature Ultimate Awning Narrow Frame window is a sleek and versatile top-hinged window with a flush exterior profile and narrow frame.

## BEAUTIFUL DESIGN WITH EXCEPTIONAL CRAFTSMANSHIP

**Awning Narrow Frame  
with Folding Handle in  
Satin Nickel**

**Awning Push Out  
Narrow Frame with  
Black Push Out Handle**

### Ultimate Awning Narrow Frame

- Pushes the limits of what windows and doors can do
- Flush exterior profile and narrow frame can be installed without removing the existing window frame or disrupting interior or exterior trim
- Available in widths up to 8 feet and heights up to 8 feet
- Exterior is made with extruded aluminum for proven strength and versatility
- Standard finish on extruded aluminum is commercial-grade and warrantied for 20 years, ensuring a smooth, beautiful finish that lasts
- Multi-point locking system ensures a tight seal and security from top to bottom
- Optional motor-drive system can be used to operate the unit from a remote wall switch

## Ultimate Glider Window

19 Exterior Finish Options | 14 Interior Finish Options

---

The Ultimate Glider window offers a streamlined, space-saving design along with Marvin's exclusive automatic lock system. Choose from two or three panels.

## BEAUTIFUL DESIGN WITH EXCEPTIONAL CRAFTSMANSHIP

**Interior**

**Exterior**

### Ultimate Glider

- Available in widths up to 14 feet and heights up to 6 feet
- Flank two operational panels with stationary panels (OXXO configuration) for maximum width and daylight
- Standard finish on extruded aluminum is commercial-grade and warranted for 20 years, ensuring a smooth, beautiful finish that lasts
- Automatic locking system features an easy-to-reach hideaway handle
- Choose from two or three operational panels across, or a combination of operational and stationary panels
- Automatic locks engage when the window is closed for added peace of mind
- Ergonomic handle and sleek hardware allow effortless gliding with just one hand
- Unique wash mode allows cleaning of both sides of glass from indoors
- Easy, one-hand operation

# Ultimate Venting Picture Window

19 Exterior Finish Options | 14 Interior Finish Options

---

The Ultimate Venting Picture window, exclusive to Marvin, is engineered to provide the look and security of a stationary picture window with the unexpected benefit of air flow through a patented, hidden screen system.

## BEAUTIFUL DESIGN WITH EXCEPTIONAL CRAFTSMANSHIP

**Interior**

**Exterior**

**Ventilation Screen**

### Ultimate Venting Picture

- Direct glaze glass meets the frame directly without a sash for a simple, clean profile with more glass area
- When unlocked, the large window opens evenly on all sides for passive air exchange, letting in air
- Patented hidden screen system
- Can enhance security by reducing the appearance of an open window from outside
- Enhanced sizes to maximize views and light
- Enhances air flow when positioned strategically with other windows
- Standard finish on extruded aluminum is commercial-grade and warranted for 20 years, ensuring a smooth, beautiful finish that lasts
- Choose from a selection of high-quality interior standard wood options, including Pine, Cherry, Douglas Fir, Mahogany, White Oak, Vertical Grain Douglas Fir, and Black Walnut
- Ergonomically-designed handle

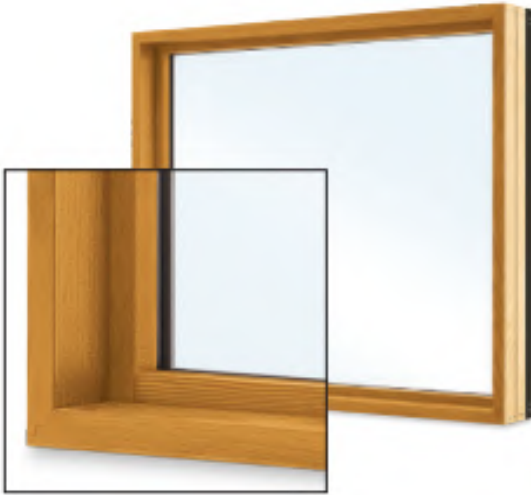

# Ultimate Picture Window

19 Exterior Finish Options | 14 Interior Finish Options

---

The Ultimate Picture window offers a classic style in a non-operable window, bringing natural light into a room or highlighting an unobstructed outdoor view. Direct glaze glass meets the frame directly without a sash for a simple, clean profile with more glass area.

## BEAUTIFUL DESIGN WITH EXCEPTIONAL CRAFTSMANSHIP

**Direct Glaze Picture  
Window Interior View**

**In-Sash Picture Window  
Interior View**

### **DIRECT GLAZE**

Direct glaze refers to a window with no sash. The glass is glazed directly into the frame and is stationary.

### **IN-SASH**

In-sash Picture windows are non-operable, and they can match the profiles of windows with operable sash.

## Ultimate Picture

- Standard finish on extruded aluminum is commercial-grade and warrantied for 20 years, ensuring a smooth, beautiful finish that lasts
- Choose from a selection of high-quality interior standard wood options, including Pine, Cherry, Douglas Fir, Mahogany, White Oak, Vertical Grain Douglas Fir, and Black Walnut
- Durable and efficient
- Suits new construction, remodeling, or full-frame replacement
- An all-wood option is ideal for historic renovation projects where a wood exterior is needed to match original architectural details
- Coastal/hurricane certification of IZ3
- Uninterrupted expanses of glass frame views where operable windows aren't necessary
- Can be sized to match accompanying double hung, single hung, or casement windows

# Ultimate Picture Narrow Frame Window

19 Exterior Finish Options | 14 Interior Finish Options

The Ultimate Picture Narrow Frame window offers a classic style in a non-operable window, bringing expansive views and natural light into a room. Its narrow frame allows for replacement without disturbing existing interior or exterior trim.

# BEAUTIFUL DESIGN WITH EXCEPTIONAL CRAFTSMANSHIP

**Direct Glaze Picture  
Narrow Frame**

**In-Sash Picture Narrow  
Frame**

## **DIRECT GLAZE**

Direct glaze refers to a window with no sash. The glass is glazed directly into the frame and is stationary.

## **IN-SASH**

In-sash Picture windows are non-operable, and they can match the profiles of windows with operable sash.

## Ultimate Picture Narrow Frame

- Direct glaze glass meets the frame directly without a sash for a simple, clean profile with more glass area
- Standard finish on extruded aluminum is commercial-grade and warranted for 20 years, ensuring a smooth, beautiful finish that lasts
- Choose from a selection of high-quality interior standard wood options, including Pine, Cherry, Douglas Fir, Mahogany, White Oak, Vertical Grain Douglas Fir, and Black Walnut
- Durable and efficient
- Suits new construction, remodeling, or full-frame replacement
- Can be sized to match accompanying double hung, single hung, or casement windows
- Uninterrupted expanses of glass frame views where operable windows aren't necessary
- Available in a large range of size options

# Ultimate Corner Window

19 Exterior Finish Options | 14 Interior Finish Options

The Ultimate Corner window makes the most of panoramic views, creating a design focal point from both interior and exterior perspectives by maximizing views and capturing light from multiple directions with minimal visual disruption.

# BEAUTIFUL DESIGN WITH EXCEPTIONAL CRAFTSMANSHIP

**Interior with Designer  
Black Painted Interior

### Ultimate Specialty Shape

- Choose from thousands of shapes to fit almost unlimited design possibilities
- Standard finish on extruded aluminum is commercial-grade and warranted for 20 years, ensuring a smooth, beautiful finish that lasts
- Ideal for designs that require a special focal point or added drama
- Many specialty shapes are available as operating units
- Choose from a selection of high-quality interior standard wood options, including Pine, Cherry, Douglas Fir, Mahogany, White Oak, Vertical Grain Douglas Fir, and Black Walnut
- Some shapes available with coastal/hurricane certification up to IZ4

## Ultimate Bay + Bow Windows

19 Exterior Finish Options | 14 Interior Finish Options

The Ultimate Bay window is a group of connected windows extending outward from a room at desired angles, allowing light and views from multiple directions. Some feature a larger operating or stationary window flanked by smaller windows. The Ultimate Bow window is a series of windows connected to form a gentle outward curve.

## BEAUTIFUL DESIGN WITH EXCEPTIONAL CRAFTSMANSHIP

**Bay Interior with  
Casement & Picture  
Windows**

**Ultimate Casement  
Bow Window in  
Bronze**

### Ultimate Bay + Bow

- Bow windows can open up a view, bring in more light and boost visual appeal from inside and out
- Our stained wood products meet industry standards and arrive ready to install
- Choose a combination of Double Hung or Casement windows to suit any design style
- Bay windows can create space indoors for a cozy nook or window seat, or maximize a scenic view to serve as a room's focal point
- Our stained wood products meet industry standards and arrive ready to install
- Innovative engineering allows the window to be opened easily by turning the handle and pushing out the sash
- Choose a combination of Double Hung or Casement windows to suit any design style

# Ultimate Multi-Slide Door

19 Exterior Finish Options | 14 Interior Finish Options

The Ultimate Multi-Slide door is a panoramic door that offers indoor-outdoor living with performance that stands up to any weather. Choose from multiple panels that stack in full view within the frame or conceal within a wall pocket.

# BEAUTIFUL DESIGN WITH EXCEPTIONAL CRAFTSMANSHIP

## HARDWARE AND SILL

Pull and latch hardware provides easy operation and squared-off corners for a clean, contemporary look.

## DESIGN FLEXIBILITY

Available in pocket or stacked configurations for openings up to 56 feet wide and 12 feet high. Pocketing configuration shown above.

## Ultimate Multi-Slide Door

- Individual panel sizes available up to 6' wide by 11.5' high
- Choose panels that move in one direction or that meet at the center or a corner or panels that stack in full view within the frame or conceal within a wall pocket
- A 3 panel center-stacked configuration also available with an immovable center panel and operating panels on each side
- Concealed multi-point locking system for a tight seal and security from top to bottom
- Performance and high-performance sills available, along with a low-profile, flush universal design sill for accessibility
- Available with IZ3 coastal/hurricane certification
- Choose from 22 operating configurations
- Narrow 4 3/4" top and bottom rail make large glass panels the focal point

# Ultimate Lift and Slide Door

19 Exterior Finish Options | 14 Interior Finish Options

The Ultimate Lift and Slide door pairs stunningly large door panels with effortless, fingertip operation thanks to a carefully-engineered carriage system that lifts panels off their track for weightless operation.

## BEAUTIFUL DESIGN WITH EXCEPTIONAL CRAFTSMANSHIP

### HARDWARE OPTIONS

Available with exclusive flush-mount hardware, interior finger pull, and optional exterior finger pull.

### POCKET AND STACKED CONFIGURATION

When open, panels either slide into the wall cavity or stack neatly into the door frame. They glide on the inconspicuous  $\frac{3}{16}$  inch high exposed track.

## Ultimate Lift and Slide Door

- Available in wood or clad-wood styles to match design needs
- Numerous panel configurations are available to best suit the layout of a room
- Flush, universal design sill option creates an unobtrusive transition from indoors to out
- Side stiles and top rail available in 4" or 6" widths for contemporary or traditional styling
- Choose panels that stack in full view within the frame or conceal within a wall pocket
- Flush and recessed sill options create seamless transitions for accessibility
- Performance sill option for exceptional protection from the elements
- Choose from 22 operating configurations

# Ultimate Commercial Door

19 Exterior Finish Options | 14 Interior Finish Options

The Ultimate Commercial door combines sophisticated design with the rugged durability to stand up to years of commercial use. Available in a wide variety of design and customization options.

## BEAUTIFUL DESIGN WITH EXCEPTIONAL CRAFTSMANSHIP

**Interior**

**Exterior**

**Panic Rim, Closer,  
Removable Mullion, & Sill  
Options**

## Ultimate Commercial Door

- Available in wood or clad-wood styles to match design needs
- Optional commercial hardware package includes closer, mortise lock or rim device, kick plate, and removable mullions
- Available in 1 ¾" or 2 ¼" panels
- Hardware routs and preps can be ordered
- Intermediate Rail available for a two-lite panel
- Three ADA-compliant sill options, available in two finishes
- Optional raised or flat panels for an upscale look
- Built with different construction and assembly processes than Marvin residential doors

**OUTSWING DOOR**

Single or double swinging doors open to the exterior.

**INSWING DOOR**

Single or double swinging doors open to the interior.

**SLIDING DOOR**

Save space with a door panel that operates by sliding along a track.

**BI-FOLD DOOR**

This door folds open and closed like an accordion and can include up to 16 panels.

**LIFT AND SLIDE DOOR**

For openings as large as 48 feet wide and 12 feet high, substantial door panels fully open into pocket or stacked configurations.

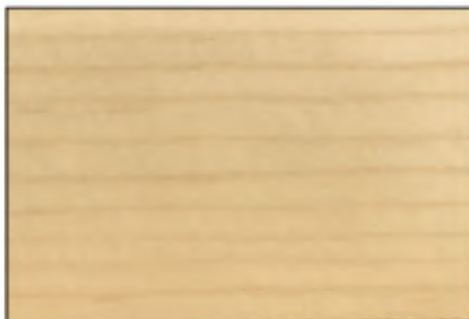

**MULTI-SLIDE DOOR**

Another option to blend interior and outdoor living with a modular frame system.

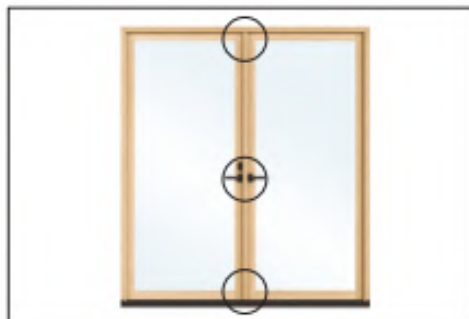

## BEAUTY WITH PERFORMANCE

Designed for durability and to minimize air and water infiltration. Many of our door products are certified to a light commercial rating of PG40.

## SOLID WOOD PANELS + FRAMES

The sound of a Marvin door closing is a quiet statement of quality. Wood in the panels and frames make for an elegant, crafted look and feel, and provides a weather-tight closure for outstanding energy efficiency.

## MULTI-POINT LOCKING SYSTEM

Concealed stainless steel head and foot bolts within the door secure it solidly at three points. Choose either a keyed or non-keyed lever handle. Multi-point lock comes standard.

## ADJUSTABLE HINGE

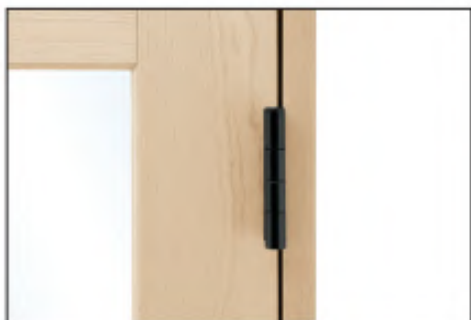

Standard on swinging doors, an adjustable hinge makes it easy to fine-tune the fit of a swinging door over the door's lifetime. Available in a variety of finishes, plus coastal options.

## SILLS

Our Performance and Accessibility Silks are made of durable Ultrex fiberglass and provide solutions for varying applications.

## RAISED AND FLAT PANELS

Raised and flat panels add depth and style to sliding and swinging French doors, including arch top swinging doors. This option changes the overall aesthetic of your door when less than a full lite of glass is desired.
